

PEOPLE GET READY

Bob McKim
David Sell

2 - 5 September, Broxburn

*"Therefore you also be ready, for the Son of Man is coming
at an hour you do not expect"*

Matthew 24:44

God is moving across the earth in an unprecedented way, bringing a huge harvest of souls into His Kingdom. The Scriptures point to the fact that Jesus' return may be sooner than we think! This conference is intended to help prepare us to be effective ministers in the days ahead. There will be teaching on the "End Times" and an opportunity for Personal & Prophetic Ministry.

David Sell

David Sell has had a varied Christian Ministry as a church planter, pastor, Bible College Instructor and Dean. In 1976 David became Dean of the Northern California Bible College. Under David's leadership the College has become highly respected and influential, with Christians from many different church backgrounds attending classes at the college.

David has degrees in Higher Education, Psychology and Biblical Studies. He has ministered at conferences on the "End Times" in Nigeria, Indonesia, India, Trinidad, Ukraine as well as various locations in the United States. David has authored a number of books, including "Understanding the End Times."

In addition to his ministry as a Bible Teacher David ministers strongly in the prophetic. He and his wife Debbie live in Northern California.

Bob McKim started in Christian ministry smuggling Bibles into China while working as an airline pilot. After this he taught at the Northern California Bible College for 10 years. At the same time he and his wife, Barbara, helped plant three churches in the San Francisco Bay area and a further church in Northern California. In 1994 at the first "Catch The Fire" conference held by the Toronto Vineyard Church he received a prophetic call to the nations. Since that time, he has travelled extensively teaching, evangelizing, and helping to lay foundations for new churches.

Bob and his wife, Barbara, have been invited to minister in many nations, but mostly in Nigeria, India, the Philippines, China, Kazakhstan, Ireland and Scotland.
