Jerame Nelson is a young man with a passion to see the signs of the Kingdom of God demonstrated in the earth today. He has cultivated a close walk with God and has learned that obedience to the voice of the Spirit leads to the manifestation of the miraculous. He also ministers with a strong prophetic anointing. Jerame travels the nations full-time teaching, preaching and seeing God perform many healings and miracles.

Miranda too ministers strongly in the prophetic and regularly sees signs, wonders and miracles accompanying the preaching of the Word of God. Her heart is to see the people of God equipped to hear the voice of the Spirit so they can see the signs of the Kingdom of God manifested through evangelism. Miranda has a desire to see the church live a lifestyle of no compromise and purity.
